Forecast for Friday 27 May 2022

Weather: A dry, fine and sunny day, with just small amounts of cloud giving long sunny spells. Some patchy low cloud is possible at first but this will soon lift and break.

Chance of cloud-free hill tops above 600m: 80% at first, soon becoming 100%.

Low cloud and visibility: Visibility is expected to be mostly good or excellent with distant hills clearly visible. Very poor visibility is possible at first in any patchy low cloud with bases down to 400-500m, briefly obscuring nearby landmarks.
